Tonie A. Holman

September 10, 2020

Please note that the entire state is experiencing issues with “hot spots” at this time. Verizon is fully aware of the issue and they are working tirelessly to get the problems resolved. Please exercise patience with the schools and teachers. The schools are fully aware of the issue and the teachers will work with you concerning assignments and classroom instruction. It is our hope that the problems will be resolved soon. We will inform you as soon as we get notification.
