## School Bus Routes/Crossings

Buses will resume their regular routes. Students who will be attending schools using the **A** hybrid, on Monday/Wednesday, will be picked up at the regular time. Students who are enrolled with the **B** hybrid, on Tuesday/Thursday schedule, will adhere to the same procedures. Students who live within 1.5 mile from the school are required by state law to walk to school. However, **elementary students only** who live on Highway 321 North, Rice Street, Denmark Gardens, Edisto Apartments and Progressive Way will be picked up by the bus to ensure safety to and from school.

Parents, we are trying to use this process to ensure the safety of the PK-5 children. Middle and high school students will have to adhere to the state guidelines for walking to school if they live within 1.5 miles of the campus. The school resource officer will park on Highway 78 during the early morning rush hour and prior to arriving at the school to monitor traffic some mornings. Your cooperation is appreciated and, if there are additional questions or concerns, please call the district office at 803-793-3346.
