Bamberg School District Two joins school districts throughout the state and nation to celebrate **School Board Recognition Month** in January. More than 600 locally-elected and appointed school board members throughout the state will be recognized by schools and communities for their service and dedication to public education.

The theme “**School Board Strong**” highlights the fact that school board members are elected/appointed by the people in their local communities to represent their voice and to ensure the success of schools and students.

*We honor the year-round commitment that school board members  
make to our district and the community.*
